

**MISSION
STATEMENT**

The Michigan Department of Health and Human Services (MDHHS) adult services programs promote respect, safety, independence, and freedom of choice delivering quality services, protection, interventions, and resources to vulnerable adults.

VISION

Vulnerable adults and their families will receive supportive services to live in the least restrictive setting with a sense of dignity, safety, and well-being.

Values:

MDHHS adult services staff believe in showing compassion, advocacy, responsibility, and effectiveness to the program and the clients and providers they serve.

- **Compassion:** Showing empathy for one another and those we serve.
- **Advocacy:** Intentionally seeking opportunities to champion for others by collaborating with community partners.
- **Responsibility:** Accountable to serving with integrity and perseverance.
- **Effectiveness:** Fostering desired outcomes through resiliency and collaboration.
